Products' overview

Designed to live in extreme **outdoor** situations. The main feature of these items is their versatility and the practicality of use, thanks to their size and weight. High density foam makes them long lasting products, as there will be no changes of shape over time. CILINDRO's first layer is made out of 20 cm of foam rubber and **memory foam** to add additional comfort to the seat. This product is available in nautical faux leather (2) or 100% acrylic fabric (4) The side handle makes it easy to carry it anywhere (2 4).

Material

Available in nautical faux leather or 100% mass dye acrylic fabric:

Nautical faux leather: anti-mold, antibacterial, UV resistant, wear resistant at both high and low temperatures, weather resistant, heavy metals and formaldehyde free, mercury free, common solvents free, fire resistant, **100% water proof**.

Low maintenance is its forte.

Fabric: Innovative high strength and shape retention **100% acrylic** fiber. Excellent color fastness to sunlight and **UV resistance** mass-dye. Guaranteed 3 years. Available in a wide range of solid colors with water repellent treatment and vinyl coating, 100% waterproof.
